

## Manual degreaser

### Standards

### Product specifications

- Specific weight: 1.046 - 1.066

- Colour: 

- pH: 

- Packaging:

### Directions for use

Spray the diluted product onto the surface to be treated. Allow it to work into the surface for a minute and scrub with a brush.

Rinse with plenty of water.

Do not apply to hot surfaces. If the surface to be cleaned is hot, spray with cold water before applying the product.

Do not expose the vehicle to the sun during application. Can damage aluminium surfaces. Before applying, test on an area that is not visible.

### Dose

Dilute the product between 8% and 10%.

### Product description

Highly concentrated product for removing stubborn dirt.

### Storage

Keep tightly closed, avoiding exposure to UV rays and extreme temperatures. For more information, we recommend referring to the safety sheet.
