### Product description

This wax gives it a special shine, with a pleasant apple scent, which accompanied by a good massage, is able to provide an exceptional finish. It also offers a high level of protection for the chassis. Product suitable for automatic washes only.

### Storage

Keep tightly closed, avoiding exposure to UV rays and extreme temperatures.  
For more information, we recommend referring to the safety sheet.

### Directions for use

Product designed for:

A dosing pump is used to apply the product in rollovers and tunnels. We recommend using purified water, maintaining the dosing rate at around 15 mL/min and trying to keep the pump at a percentage of around 30%.
